i have a dream

- WORDS AND MUSIC BY DARIA A. MARMALUK-HAJJOANNOU

Dr. Martin Luther King had such a wonderful vision for a new world - A world of respect and dignity for all people. If we share these ideas — we can truly all be "kings".

There's a man I think you've heard of
His name is Martin Luther King
He wanted a world of peace and love
He said "I have a dream"

I have a dream
I have a dream
I've been to the mountaintop and I've seen...
I have a dream

I know that this is possible
I know that this can be
If each one can learn to live with love
Then we can all be free

If you share this vision
You know it's not a difficult thing
We can build a world of peace and love
And we can all be queens and "kings"

here come our mothers

- WORDS AND MUSIC, TRADITIONAL — ZULU

Mothers everywhere always find little ways to make each day special for their kids
(This is a Zulu song from South Africa learned from the wonderful group, Ladagnith Black Mambazo. It tells of the time of year when the mothers sell their extra foods at the market and always bring something wonderful home for their children.

Here come our mothers, bringing us presents
Nqoi bo, Nqoi bo, Nampayano mame *

We can see apples, we can see bananas
Nqoi bo, Nqoi bo, Nampayano mame

We can see cookies, we can see sweet things
Nqoi bo, Nqoi bo, Nampayano mame

*this is pronounced... "rrme te bo"

beautiful rainbow world

- WORDS AND MUSIC BY DARIA A. MARMALUK-HAJJOANNOU

One morning I woke up with this song in my head and I loved what it had to say! It's amazing what can happen to us when we dream!

Today I woke up to see
A beautiful rainbow world
Won't you dream it along with me?
A beautiful rainbow world

Beautiful rainbow, beautiful rainbow
Beautiful rainbow world
Beautiful rainbow, beautiful rainbow
Beautiful rainbow world

Red, black, yellow, brown and white
A beautiful rainbow world
Dancing together in the light
A beautiful rainbow world

No one lost or left behind
Beautiful rainbow world
Each one their own treasure finds
Beautiful rainbow world

for all the world's children

- WORDS AND MUSIC BY DARIA A. MARMALUK-HAJJOANNOU

Here are my wishes and hopes for every little being that gets to visit this planet!

For all the world's children
Here's a song and a prayer
That you'll reach out for love
And it will always be there

That you'll rise like the wind
And shine like the stars
And that you'll always remember
How special you are

That you'll always find friendship
And folks who are kind
Who can share your joys with you
And strengthen your mind

And that your home will be a place
From which the best journeys start
And that you'll fly in your lifetime
On wings of the heart

For all the world's children
I wish justice and peace
And a world that respects you
And your dignity

So you can rise like the moon
And shine your light far...
And always remember
How special you are

la cucaracha

- WORDS AND MUSIC, TRADITIONAL — LATIN AMERICAN
- NEW ENGLISH VERSES BY DARIA MARMALUK-HAJJOANNOU

A very silly song, I've added some English verses here as well

What's a... what's a... what's a cucaracha?
It's a ... It's a ... cockroach
What's a... what's a... what's a cucaracha?
It's a ... It's a ... cockroach

La cucaracha, La cucaracha, ya no puede caminar
Porque le falte, porque no tiene
Dinero para gastar

The little cockroach, the little cockroach,
I saw him just the other day
I like him best when, he takes his things and
He gets his friends and moves away!

The little cockroach, the little cockroach,
He likes to play up with the band
Upon the guiro, he is a hero
He's got the fastest moving hands

La cucaracha, La cucaracha, ya no puede caminar
Porque le falte, porque no tiene
Dinero para gastar

The little cockroach, the little cockroach,
He likes to play up with the band
Upon the guiro, he is a hero
He's got the fastest moving hands

The little cockroach, the little cockroach,
I saw him just the other day
I like him best when, he takes his things and
He gets his friends and moves away - ole!

wild and free

- WORDS AND MUSIC BY DARIA A. MARMALUK-HAJJOANNOU

(This song is written to the tune of "My Bonnie Lies Over The Ocean". I've added new words about some of my favorite water creatures.

The dolphins they play in the ocean
The dolphins they play by the sea
The dolphins they play in the ocean
Oh let them be wild and be free

Wild and free
Oh let them be wild and be free (be free...)
Wild and free
Oh let them be wild and be free

The whales, they swim in the ocean
Deep in the depths of the sea
The whales they swim in the ocean
Oh let them be wild and be free

The manatees play by the bayside
The manatees play by the sea
Sometimes they'll even swim with us...
But let them be wild and free...

Oh don't you love all the creatures
The ones from the land and the seas?
If we protect the they'll be with us forever
Wonderful, wild and free!

ride horse, ride

- WORDS AND MUSIC BY DARIA A. MARMALUK-HAJJOANNOU AND KYRA JOY HAJJOANNOU

Native people believe in both respecting animals and learning lessons about life from them. My daughter and I wrote this song with our Pueblo drum about horses. Playing and singing on the recording is Clan Mother, Barb Christy (Red Singing Bird) who graced the song with her voice as well as Native Flute, shell rattles and krapak bone rattles.

Ride, horse, ride
Ride into the sunbeams
Ride, horse, ride
Ride into the moonbeams

Take us to where we need to go
Show us what we need to know...

Ride, horse, ride
Ride into the sunbeams
Ride, horse, ride
Ride into the moonbeams

Take us to where we need to go
Show us what we need to know...

child of god

- WORDS AND MUSIC — TRADITIONAL, AFRICAN-AMERICAN
- ADDITIONAL NEW VERSE BY DARIA MARMALUK-HAJJOANNOU

I heard this song at my daughter's school and added a new verse about peace.

If anybody asks you who I am, who I am, who I am
If anybody asks you who I am
Tell them I'm a child of God

Mary rocked the cradle, peace on earth, peace on earth,
peace on earth
Mary rocked the cradle, peace on earth
For every little child of God

I'm walking and I'm talking now for peace on earth,
peace on earth, peace on earth
I'm walking and I'm talking now for peace on earth
For every little child of God

If anybody asks you who I am, who I am, who I am
If anybody asks you who I am
Tell them I'm a child of God

the spirit song

- WORDS AND MUSIC, TRADITIONAL

This song speaks about knowing and following your inner spirit. Follow it and you will have an amazing journey!

You've got to dance when the spirit says dance
When the spirit says - dance - you've got to dance,
on yeah!
You've got to dance when the spirit says dance

You've got to sing when the spirit says sing

You've got to laugh when the spirit says laugh

You've got to play-shout-jump when the spirit says
play-shout-jump

You've got to dance when the spirit says dance
